

毒品防制

近期發現，有許多來自東南亞國家(如泰國、菲律賓等)國際郵件包裹內含有「**西布曲明(Sibutramine)**」成分之減肥藥，此類包裹可能是透過居住在東南亞國家的家人幫忙訂購並寄至我國

此種含有「**西布曲明(Sibutramine)**」減肥藥在我國屬於第四級毒品

請勿購買此類含有「**西布曲明**」成分之減肥藥，
避免觸法遭受司法懲處。

Drug Controls

Recently many international packages mailed from Southeast Asian countries (such as Thailand, the Philippines etc.) have been found to contain weight loss medication a key component of which is **Sibutramine**.

It is possible that such packages are being sent to Taiwan by family members who live in those countries.

However, weight loss medication containing Sibutramine is classified as a category four narcotic in Taiwan.

In order to avoid breaking the law and related legal sanctions do not buy weight loss medication that contains Sibutramine.

PHÒNG CHỐNG MA TÚY

Thời gian gần đây, có nhiều bưu phẩm quốc tế từ các nước Đông Nam Á (như Thái Lan, Philippines...) có thuốc giảm cân chứa chất cấm "Sibutramine". Những gói hàng như vậy có thể được đặt hàng và gửi đến Đài Loan thông qua sự giúp đỡ của các thành viên gia đình sinh sống ở các nước Đông Nam Á.

Tại Đài Loan, loại thuốc giảm cân chứa chất cấm "Sibutramine" này là thuộc ma túy cấp 4.

Đừng mua các loại thuốc giảm cân có chứa chất "Sibutramine" để tránh sự trừng phạt của pháp luật.

Kontra-Droga

Kamakailan ay maraming sulat o pakete ang nagmula sa Timog Silangang Asya (Hal. Thailand, Pilipinas, atbp.) na naglalaman ng mga gamot na pampapayat na may **Sibutramine**.

Ang mga paketeng ito ay maaaring nanggaling sa mga kaanak na nakatira sa Timog Silangang Asya na tumulong bumili at ipadala sa Taiwan.

Ang mga diet pills na may Sibutramine ay klasipikado bilang ika-4 na lebel ng ipinagbabawal na gamot.

Mangyaring huwag bumili ng mga gamot na may Sibutramine upang maiwasan ang paglabag sa batas at mapatawan ng parusa.
